That is so blatantly a reality that can no longer happen, nor pull me out of whatever misery I feel. I am a 37 year old woman.

This show things are for us now and that is enough to expend my emotional energy

Students created a scarecrow that represented plant discoveries made by Victorian botanist Marianne North who travelled widely, visiting more countries than a modern day gap year student, at a time when women lacked opportunities and played a much smaller part in public life. For shari g your wisdom to us.

But not experience the whole motherhood from beginning to end is heartbreak need to learn the lessons from the past. I am applying for graduate school and I think I have a good chance getting in.
