Suetonius Tranquilius gives a short but highly favourable account on Titus's reign in The Lives of Twelve Caesars[89] emphasizing his military achievements and his generosity as Emperor, in short describing him as follows:. The primary source for the rape and mutilation of Lavinia, as well as Titus' subsequent revenge, is Ovid's Metamorphoses c.

Tamora ostensibly seeks revenge against Titus because he ordered the execution of her son. To use the term "black Moor" is not to commit a redundancy, for there are white Moors as well as black Moors, the latter mostly of Sudanese origin. Titus Andronicus: Noble Roman general who has won a long war against the Goths but lost many of his sons in battle.

By all appearances, the Flavians enjoyed high imperial favour throughout the reign of Titus, and it so happens that the imperial crown is up for grabs, the emperor having just died.
