Good historical fiction. You must set your minds on God alone and ignore the needs and desires of your body, You must understand totally that your reward will not come in this life. All this makes quite an interesting story, enlivened as always by the author's sense of fun, as when Catherine bursts in on a naked porter in bed: "She gasped and looked away
ListswithThisBook. Cursed in the Blood by Sharan Newman. This series manages to combine real-feeling history with solid mysteries and some of my favorite characters in all fiction. ContinueshoppingCheckoutContinueshopping.However, despite all the violence and action, the plot is a bit tenuous and takes a long time to unfold. During their journey, that takes up almost all of the book, she and her husband Edgar encounter mad monks, less than penitent crusader knights on their way to recover hidden treasure, and a motley collection of pilgrims, many of them with their own secrets to hide.
