based on your shipping address, but note that these are
estimates only and that we cannot guarantee shipping or
delivery dates at this time. It is only at this point that
children actually negotiate the past with their parents,
suggesting that it is only now that they have an individual
internal representation of the experience, separate from the
one they might co-construct with a parent. You may suddenly
get this urge to start writing about what's happened to you in
your life and why it meant so much to you.
