The island of Hispaniola, which we shall describe later on, then came in view. Not unlike reading a diary. For example, he tells the story of a buccaneer on Hispaniola who was sighted alone in the woods by a group of patrolling Spaniards. Various people have been lost in this manner. All required fields must be filled out for us to be able to process your form. THE term Buccaneer, in French Boucanier, is usually applied to certain pirates who during the seventeenth century committed great ravages upon the Spanish settlements in the West Indies, the adjacent The Buccaneers of America land, and the coast of Chili and Peru, and whose exploits it will be our province to describe in the following pages. A bestseller in its own time, The Buccaneers of America will fascinate any modern reader intrigued by piracy and by the often sordid history of European conflicts in the Caribbean and on the Spanish Main. BookReg. The French stayed there about half a year without anyone disturbing .
