Over the past thirty years, Democrats have made major gains with women, while Republicans have been doing far better with men—especially white working class men. Shipping cost cannot be calculated. MeghanDureenrateditlikeditJan23, We all make fun of, for example, the Italians for their machismo; but the question of American manhood, and how that manhood is enforced and exploited by presidential races, has at least from what I can learn after a few Google searches and reading this book barely been written about at any great length.
