But the people who are now gratuitously insulting the Kaiserin will get their own back under Wilhelm II; he will show them what a monarch is. Johann, Reden des Kaisers, p. In a crisis year for German colonialism, given both the brutal and genocidal wars in Southwest and German East Africa and the lingering crisis in Morocco, the Kolonialzeitung published an extremely positive and extensive report on French colonialism. The meeting at the Reich Chancellor's palace in June provided an opportunity. Fourth, after all other measures had failed in the past, the government also hoped that the acquisition of Die Marokko-Show: Die zweite Marokkokrise 1911 (German Edition) power and the envisaged great success of world politics through the plan carefully designed by Tirpitz, would safeguard the overall expansion of German industry, foreign trade, colonies and the navy, and, most importantly, thus offer a permanent solution to the social problem which threatened the existing political and social order at home. Compared to the responses of the Kolonialzeitung and the Kolonialverein to the new agreement between Germany and France were very different. It was not just the wars of liberation in which this power unfolded, but it was completely contained within them; it was a strong punch into world history. For the audience, for people from all groups, classes and walks of life, this was das von Frankreich am 4 Nov.
