Of course with a storyline involving awesome characters with aviation and customs involvement the plot is also full of action and kept me in suspense throughout the entire novel. I read this story in kindle eBook form.

It might have been too late for him to start. He was normally not needed full-time.

It's the first one I've read of Helene's and will be going onto the next one, once I've brought it. The rural and remote places she visits, along with the fascinating people she meets, provide boundless inspiration for her novels.

William Butler, Unidentified, Engineer Sgt. Even more hours were spent on how to fly a wounded Liberator in every kind of situation. I love to try new Australian authors and this one didn't let me .
