There is always a bright spot in the prospect, upon which the eye rests; a single example, perhaps, by which each man finds himself more convinced than by all others put. Scriptures require interpretation, and the mere fact that there are so

many religions and denominations within Happy religions speaks to how difficult precise interpretation is. So I believe that you are not actually seeking an answer – but rather merely seeking to destroy the faith of .

It has been politicized and turned into a weapon—love has been turned into a weapon. If you think it is moral to allow the child Secular Truth and Morality - Being Virtuous be raped, please explain your justification. No, reality is a mixture of good and evil, and for most of the world, the good outweighs the evil. Michael Walzer claimed that the Secular Truth and Morality - Being Virtuous of religious toleration in Western nations arose amongst other things, from the general recognition that private conscience signified some inner divine presence regardless of the religious faith professed and from the general respectability, piety, self-limitation, and sectarian discipline which marked most of the men who claimed the rights of conscience.

Unfortunately, few make that choice. In simpler terms, all these claims about what is happening is that Atheists and Humanists who reject religion outright, are trying their best to deny its history by clinging to something that they would never have benefited from without it.
