Much of the importance of this period stems from its retrieval of Greek thinking, particularly that of Aristotle. This text provided some of the above material on early Christian philosophers. Murphy, Nancey.

Merton focused on English Puritanism and German Pietism, having been responsible for the

A theodicy is more ambitious and is typically part of a broader project, arguing that it is reasonable to believe that God exists on the basis of the good as well as the evident evil of the cosmos. Not all nineteenth century scientific thinking, however, yielded skeptical conclusions.

In contrast to the general population, the older scientists in this sample did not. In the 19th century, some historians attempted to provide naturalistic explanations for human behavior and culture, for domains such as religion, emotions, and morality. Ballantine Books,
