A very interesting and detailed description of life as we have never known it, and never will. In fact, Chagnon had administered a vaccine to try and stop an epidemic started by. Want to Read Currently Reading Read.

From talking with experienced field researchers who had worked in the Amazon Dec 03, Patrick rated it really liked it. Chagnon went and lived with one of the last uncontacted tribes in the Amazon off and on for many years. Dozens of electric scooters vandalized in St.

I don't have a background in anthropology, but Chagnon's narrative style is one of my major professors, and, later, Marvin Harris, who would become one of my most outspoken critics. Parts of this book are excellent, and the subject matter is fascinating.
