Although still railing against women who were "free with their bodies and other common harlots", he acknowledged the pragmatic desirability of housing them away from respectable streets and religious establishments, and so obliged them to reside outside of the borders of the city walls. Red-light districts Bois de Boulogne Quartier Pigalle. It was noted that there was no action to deal with organized crime or those who might be exploiting sex workers.

Syphiliswastreatedwithinjectionsofmercury,administeredatahospital Doctors have prohibited her from attending school outside because they worry the sun and environment could harm her already fragile skin and nervous. These boys are going to France. Hehadfoundhimselfamission.This is a very normal

realization for a child, but at the time, it felt irrevocable and huge. At the municipal level, there was evidence of prostitutes being constructed as public nuisances that needed to be confined, and many mayors of both political groups responded to citizen groups to introduce by-laws restricting prostitutes' activities in early
