The characters, the conflicts, and the psychology were all there, but in the end, we leave the book without a completed arc. They are quickly captured and brought inside the vessel, where they meet its enigmatic creator and commander, Captain Nemo. This is a really enjoyable sea adventure that holds up . InWaltDisney's20,LeaguesUndertheSeaalive-actionTechnicolorfilmverer. Though there are various events--the squid, meeting with this or that vessel, the undersea gardens, travel to the antarctic--these are all scattered throughout the story willy nilly, as if it were a real travelogue, tied together by the real central plot, which is the conflict between the captain and our heroes. And Verne's marine engineering proves especially authoritative. Works by Jules Verne.
