The Center on Budget and Policy Priorities has extensive research that finds that state taxes have a negligible impact on interstate moves. Maybe your ideal retirement destination is too expensive, have you considered thinking slightly outside the box regarding your housing?

Locals generally make as sincere an effort to make visitors and expats feel welcome. Idyllic beaches, islands that seduce the senses, and some of the most pristine ancient rainforests in Southeast Asia—this is Malaysia. Several of the cities are recommended because they have a large number of defense contract awards. Alternative and less expensive dream places: Berlin, Thailand, San Diego. The beaches lining the county also make it a fun place to retire to, as you can seize the opportunity to take up some water sports or relax among the many tourists who pour in during the sunny summer months.
