When I came back, the first day, the abbot asked me if it was difficult for me. It's free!

Until now, we have been unable to quantify those impacts. If you go out of your comfort zone with the whole mindset of embracing uncertainty and stepping into the unknown, then you've already shifted before you arrive. Logic has no place when an anxiety disorder is running the show and panic is wreaking havoc. An untreated anxiety disorder can be devastating because it is a continuous won't be there to talk, act, eat, and sleep.
