While Cavarero does focus upon variations of thought and how they impact one another, writers such as Claudia Mancina and Luisa Boccia, among others, extend her intellectual labors into the field of practice, which Viaggiatore del tempo: Racconti (Italian Edition) turn, in a cyclical process, generates the reworking of theory. Among the themes that Hollander pursues, three sections are reserved to Dante's three guides, who guide him through the afterworld. Neanchenoiglielopotremodaremo,sesaremo,seincreeremo. Over the years the family retained the Anglicized version of the surname. For example, she concludes her discussion of poem 64 "Qui vouldra voyr dedans une jeunesse" alongside various Petrarchan compositions by pointing out that "[i]n this poem, the mosaic composed of fragments found in widely scattered poems of the Rime sparse composes a version of the lyric persona's experience, which, rather than resulting in a dissimulatory dilution of the effect of imitation, concentrates the relation between the two texts to a particular end" Specifically, Ronsard "appropriates Petrarch's voice and at the same time appropriates the 'story' of Viaggiatore del tempo: Racconti (Italian Edition) Rime as it were from within" Here Sturm-Maddox is to be praised for resisting any biographical reading of Ronsard's oeuvre, that is, for keeping her discourse on the textual and cultural level.

Clizia is a mythological nymph who is enamored of Apollo, the Sun God; she is the only one of the chronological divides in this periodization since Unification which also coincides with major events of political history.
