The subconscious mind stores all the thoughts and experiences of life, and they can be recalled by the conscious mind under the right conditions. They are raised at this final judgment. The point that is being made here is that the judgment is completely fair because it takes into account everything that a person has ever thought, intended, said or .
Of those that do get found guilty at this judgment, some deserve to be punished.
When did we see You a stranger and take You in, or naked and clothe You? What Happens When We Die?
However, the actual choice is up to each person. The inmost chamber of the
