Inspired by Titus Livy's monumental history of Rome, Machiavelli discusses the internal structure of a republic, methods of conducting warfare, and the defining qualities of individual leadership. Search for any book Search! Topics include establishing a republic's internal structure, conducting I say, then, that it is a prudent choice to found your city in a fertile region when the effects of that fertility are duly balanced by the restraint of the laws. Albeit the jealous temper of mankind, ever more disposed to censure than to praise the work of others, has constantly made the pursuit of new methods and systems no less perilous than the search after unknown lands and seas; nevertheless, prompted by that desire which nature has implanted in me, fearlessly to undertake whatsoever I think offers a common benefit to all, I enter on a path which, being hitherto untrodden by any, though it involve me in trouble and fatigue, may yet win me thanks from those who judge my efforts in a friendly Discourses on Livy
