And it has a full cast of realistically drawn, interesting characters that make the thing read like a bullet—Will
LavenderWhat a great premise! Availability: Available to Order with Delivery Days. When a leak occurs within the team, Grace pursues a secondary witch hunt to draw them out and remove the rotten apple from the team, only to discover that it, too, is a game that she is ill-equipped to play.
Shedidherbest, but the case never went to court for lack of witnesses. She was a strong no nonsense woman that lived the police force. Even though this book was just average, I am going to read the rest of the series. Introducing M. Brand new Book. She foiled the attack and not long after had the distinct pleasure of watching Steven Green and three of his closest friends get a substantial prison sentence.
