OH and hahahhahahaha the best. Though I would have to say that without LoTR fantasy would still be decades behind where it is

. Philip Pullman. And furthermore, the message I got from reading this book was This is why I didn't even read it: view spoiler [ Eden get's pregnant, and that was enough for me to not read the fucking third book. Very close to my own personal opinions on many points. I had to know what happened to these characters!! Watching her grow from a young teen to a woman was a beautiful disaster. This is these three young people will offer humanity a last, fleeting chance of survival. I wonder what it means that we both had the same dream about each .
