Many modern facilities use automated machinery to process their formulas, but the delicate matrix of the homeopathic can be damaged by the strong electromagnetic fields created by automated machinery. This has baffled the AMA because time and time again homeopathic products fail in the lab but are very successful when put to work in the human body.

There are no international units equivalent to homeopathic preparations. It is extracted and purified to make a pharmaceutical grade HCG which can then be used for injections or for the purpose of making a homeopathic solution. When you first begin your HCG diet, focus more on weight training than cardio and start light.
