According to Swanson and Timothyproducing, selling, and buying souvenirs are routine activities of tourist destinations that generate billions of dollars each year. With videos, you can also show your personality to your audience. The explosion of growth in ecommerce has only made it tougher to attract the visitors needed to boost online sales.

In some cultures, souvenir gift-giving is an expected part of returning home. Furthermore, travel activities influence store attributes, including location and promotion, image and sales associates, and price and selection. What that tells you is that point-of-purchase POP displays – those well-designed displays placed throughout the store – are an effective marketing tool. Fill each edition with specials, tips, and other timely information.
